Adventure

Broken People

intro

```
E/C#    C#m B A B
```

verse 1

```
C#m                    B
Look into My eyes and say you don't believe
A              B               C#m
All of this I did to be with you
C#m                  B
Darkness in the sky as My Father cried
     A                B              C#m
And then He turned away and then I died
```

verse 2

```
C#m                    B
Look into My eyes and say you don't believe
A              B               C#m
All of this I did to be with you
C#m                  B
Darkness in the sky as My Father tried
A              B                A
And then He turned away and then I died
```

chorus

```
A                            B
Follow Me, choose to follow Me
A                  B                   C#m
Take a chance and place your hand in Mine
A                     B
Call on Me, let your life see the spring
          A                B              C#m     C#m/D#
Let the adventure of your life begin tonight
        A             B              E       /F#m
Let the rest of your life begin tonight
```

verse 3

```
 C#m                        B
More than just to die - I came to show the way
A                B                  C#m
Knowing of the cost to reach you
C#m                  B
Darkness in the sky as My Father tried
    A          B               A
Giving all He had and then I died
```
