Alive

Broken People

Verse 1

```
D                Bm                      D/F#  G    D/F# G
See your face so clearly in my mind, It moves me
   A
It makes me come alive
D                Bm                 D/F#  G      D/F# G
Your careful eyes, they wonder why, these things
       A
Though crazy, could still be
```

Chorus 1

```
     D Bm        D/F# G   D/F# G
And I     wanna see You
      D         Bm         D/F# G
your smile, so alive with mystery
     A
For this I'd change my life
```

Verse 2

```
D                      Bm                            D/F# G   D/F# G
I hear Your voice, you smile and I feel joy, you're laughing
  A
I wish that this would never end
    D                               Bm
And how did it come to be without choosing to choose yet still I see
   D/F# G   D/F# G       A
It happened,         now even we cannot believe
```

Chorus 2

```
D   Bm      D/F#   G        A                 D     Bm
And I wanna be the one that You let into your life
```

Bridge

```
        D/F#              G
Let's see what life can bring
G                            A
Could it be that life is just more than these things that we see
Original, not make believe, worth fighting for just to achieve
Could it be more meaningful for us if life were easily
or for granted, not just handed - given over simply
Why do we find it hard to dream and what is worse that giving in
Life is given to be lived - for that I'd give up anything
I am not just what has been, but merely what I choose to live,
to dream and love, hope and do - even if it means the chance to lose
```

Chorus 3

```
     D A/C#   Em              G   A             D     A/C#  Em G A D
And I wanna be the one that You let into your life
```

End

```
D                Bm
So much space, so far seems so unkind
    D/F# G   D/F# G   Em         D/F#    G2
Or amazing,        we won't know till we try
```
